

Re: Insurance;

Mark Turelski's Plaintiff pro se. entrap

CA: 100293/1-W.J.J.

case record 1:06-CV-00245 RMS.

Dear Sir,

In reply to defendant's letter dated 3-13-07
once again some is making inaccurate and untrue
statements to the court and that Plaintiff is willing
to comply with the court and reasonable requests
my defendant.

Plaintiff has tried on several occasions
to settle this matter but defendant has refused
to do so. Plaintiff has no objection to a conference
with the court, also Plaintiff reserves its right to discovery
extension also.

Thank you

Mark Turelski
